ENFERA

Enfera is a sustainable fashion brand for the eco-conscious, modern woman. Enfera's three values are simple, but crucial: organic, fair and regeneration. If the garments are not stretched, the organic fabrics are ethically made by artisans local to Tamil Nadu and their handloom weaving process uses less to no energy. Visit www.enfera.co.uk and Instagram @enfera_uk

YOLA & ORIBUNGE

Using fashion as a creative outlet to social moments that shaped them, Yola & Oribunge, Bani and Natalia, create artwork that allows them to tell the story of their youth, upbringing, love for each other and passion for music. Their music presence in their wearable art, each piece crafted with exquisite detail and love. A celebration of individuality and a nod to the equality, their pieces honor

the female silhouette using the highest quality leather and cottons. Visit www.yolabandorange.com and follow @yolabandorange Photographer @theban

YLENIA MANGANO

Ylenia Mangano studied Fashion long before opening her Maison in Milan in 2016. She presented her latest collection at the 2019 Milan Fashion week.
